06-09 Juillet 2025 / Hammamet - Tunisie

ÈME  
**3** CONFÉRENCE INTERNATIONALE  
SUR LES SCIENCES APPLIQUÉES  
ET L'INNOVATION

# CISAI-2025

Vol. 25

# SUMMARY

Integrated Metagenomic and Metabolomic Analysis of a Hypersaline Lake Ecosystem via MG-RAST

**10.051103/PBS.2506051 - Souad AMIOUR, Karim CHEKROUD.....1**

Synthesis and characterization of spinel ZnAl<sub>2</sub>O<sub>4</sub>:SnO<sub>2</sub> thin films for optoelectronic applications

**10.051103/PBS.2506052 - Abdelmalek Kharroubi, Hadj Benhebal, Bedhiaf Benrabah, Touati Mohamed, Hireche Khaoula, Senni Ame.....9**

Composite absorbing electromagnetic waves based on cullet from recycled glass waste

**10.051103/PBS.2506053 - Younes Lamri, Bachir Eddine Messaid, Farouk Mebtouche, Belkacem Manser, Fayrouz Benhaoua, Nacira Stiti, Haroun Ragueb, Razik Tala-Ighil.....16**

From Digital Gaps to Eco-friendly Innovations: Diagnosis of Challenges Faced by Agri-food Cooperatives of Central Rif in Morocco

**10.051103/PBS.2506054 - Khaoula Alami, Mouad Chentouf, Hasnaâ Harrak.....22**

The impact of social networks and their influence on business performance

**10.051103/PBS.2506055 - HAMOUR Hasnae.....28**

Exploring gender disparities in the diffusion and adoption of climate-smart agricultural and climate information system technologies in Senegal

**10.051103/PBS.2506056 - Blaise Waly Basse, Omonlola Nadine Worou, Maya Moore, Joseph Emanuel Jacob, Folosunso M. Akinseye, Houessionon Prosper, Khalifa Mbow, Sophia Huyer, Abdrahmane Wane.....37**

Fisheries Subsidies in Tunisia: A Comprehensive Analysis

**10.051103/PBS.2506057 - Amal Zhioua, Kamel Ghazouani.....51**

B2B Logistics Service Quality: Towards a Digitally Augmented Model

**10.051103/PBS.2506058 - Abdelkader Gam, Saoussen M'hedhbi, May Oueslati.....57**

Automatic Fault Detection on Solar Panels using YOLOv11: Towards Improved Predictive Maintenance

**10.051103/PBS.2506059 - Lotfi Ezzeddini, Tarek Frikha, Jalel Ktari.....63**

Checkout as a Loyalty Engine: Exploring the Behavioral Impact of At-Purchase E-CRM

**10.051103/PBS.25060510 - Abdelkader Gam, May Oueslati, Jilani Habouria, Abderrahim Bellil.....69**

|                                                                                                                                               |     |
|-----------------------------------------------------------------------------------------------------------------------------------------------|-----|
| Contribution to the Amelioration of Concrete Comportment with the Variation of Chemical Admixture based on local materials                    |     |
| <b>10.051103/PBS.25060511 - <i>Ilham Aguida BELLA, Mohammed El Amine AZZI, Nabil BELLA</i></b> .....                                          | 75  |
| Visual and Textual Filters: How Digital Aesthetics Shape Authenticity and Critical Thinking in the Age of AI                                  |     |
| <b>10.051103/PBS.25060512 - <i>Sonia ZGOLLI, Narjess ALOUI</i></b> .....                                                                      | 82  |
| The determinants of ICT: an empirical study for the G8 Abstract                                                                               |     |
| <b>10.051103/PBS.25060513 - <i>Rim Kamel</i></b> .....                                                                                        | 91  |
| Optimization of the PN junction thicknesses of an InGaN-based cell coupled to a resonant cavity to improve photovoltaic conversion efficiency |     |
| <b>10.051103/PBS.25060514 - <i>Césaire Ngor Ndiaye, Abdoulaye Sène, Fatou Kiné Mbaye, Ababacar Ndiaye, Lamine Thiaw</i></b> .....             | 98  |
| Comparaison of surface quality in turning process of AISI 1035 and AISI 12L14 steel                                                           |     |
| <b>10.051103/PBS.25060515 - <i>Chokri GADRI</i></b> .....                                                                                     | 106 |
| Ethics in Digital Marketing: Perception of Ethics in adopting Digital Marketing Strategies                                                    |     |
| <b>10.051103/PBS.25060516 - <i>Asma Regragui Dounia, Akram Fanane, Mounaim L'Houssaine</i></b> .....                                          | 114 |
| Dynamic macroeconomic factors in Recycling Industrial Gross domestic product: Empirical Evidence from Tunisia                                 |     |
| <b>10.051103/PBS.25060517 - <i>Lamia Mohamed Ben Amor</i></b> .....                                                                           | 126 |
| Hybrid Renewable Energy Solutions for OffGrid Electrification: A Bibliometric and Analytical Review on Performance and Economic Viability     |     |
| <b>10.051103/PBS.25060518 - <i>Samira TROUDI, Sami AOUADI</i></b> .....                                                                       | 132 |
